Sl. 5. 3

Letter No G. 754 dated 15th April 1943 from the Govt Director, Industrial concerns stating that the General Manager of the Govt Electric Factory was on 20 days privilege leave from 27th July to 15th Aug 1942, and recommending that the allowance of Rs 40 p.m. drawn by him in connection with the War Technicians' Training Scheme may be drawn by the Financial Officer of the factory as he was actually in charge of the said work during the absence of the General Manager's absence.

The proposal is rather belated. It seems, the allowance is paid by the Govt of India. It is not known why sanction of Govt is required for this. The proposal is for orders.

This may be dealt with in the War Section, if there is no objection
